RE: Olin Corp./McIntosh Plant Superfund Site  
Draft Feasibility Study Report

Dear Mr. Downey:

You should have received two copies of the Draft Feasibility Study (FS) Report on or about May 6, 1993. Please forward the extra copy to Fred Harders, Game and Fish Division. Your comments are requested on or before close of business on FRIDAY, JUNE 4, 1993. If you foresee a problem meeting this schedule, please notify me as soon as possible.

In addition, I would like to reschedule the meeting originally scheduled for May 10, 1993 in your office for either the week beginning May 31, 1993 or June 7, 1993. Please let me know which date best accommodates your schedule. The purpose of this meeting will be to review the draft proposal for additional sampling in the Basin (OU2) prepared by the U.S. Fish and Wildlife Service.

Sincerely,

Cheryl W. Smith, RPM  
South Superfund Remedial Branch

RE: Olin Corp./McIntosh Plant Superfund Site  
Draft Feasibility Study Report

Dear Mr. Moore:

Please find enclosed a copy of the Draft Feasibility Study (FS) Report for the Olin/McIntosh Plant Superfund Site. Please review this document as it relates to your specific program area. Your comments are requested on or before close of business on Friday, June 4, 1993. If you foresee a problem meeting this schedule, please notify me as soon as possible.

In addition, I would like to reschedule the meeting originally scheduled for May 10, 1993 at the ADEM office for either the week beginning May 31, 1993 or June 7, 1993. Please let me know which date best accommodates your schedule. The purpose of this meeting will be to review the draft proposal for additional sampling in the Basin (OU2) prepared by the U.S. Fish and Wildlife Service.

Sincerely,

Cheryl W. Smith, RPM
